

UNDER YOUR SKIN

electronic press kit

What goes up?

Under Your Skin wants to reach many music lovers, touch hearts, dive into a sea of emotions and gifting the audience with an extraordinary experience. We will release in Spring 2024 our debut album. First singles are already available [here](#).

We play Britpop, Alternative and Indie-Rock.

Our fans and followers say we sound like a mix of "The Verve", "Oasis", "Alberta Cross", "The Beatles", "Nirvana", "Kasabian" and "The Doors".

As a Charity Band we play unforgettable concerts and we support local projects and ideas. We care about the people behind the projects and we love to perform on unique locations!
